VISITATION TIMES

As the new pastor of this church, I would love to spend time with you in individual settings getting to know you and your stories better. Toward that end, I am making available several visitation times each week, as seen on the visitation sign-up list in the back of the sanctuary. If you would be interested in some time where we can get to know each other more fully, I encourage you to sign up for a visitation time as they are available. These visits have no agenda or programmatic purpose other than growing friendships. Please consider the possibility of allowing me to join you, in your home or elsewhere, for a short time of visiting. I look forward to our journey together.

Thanks,
PHIL HOGG

Thank You Notes

Dear Asbury Methodist, Greetings!

Safe Sanctuaries

We will have a "Safe Sanctuaries" training event on **Saturday, October 22 from 9 am until noon**. Safe Sanctuaries is a program designed to protect children from inappropriate adult behavior and to protect adults from unfounded accusations of damaging behavior. This training and the implementation of the program is a critical step in protecting our children and our church. If you serve as a volunteer in any of our children's or youth program, you are strongly encouraged to attend this training if at all possible. Volunteers, a big part of this program is for your own protection, so please join us on October 22nd. Contact Pastor Phil for more information.
